Dear WOW Workshop Enthusiasts,

We are excited about your interest in WOW's upcoming Partnering workshop. Activities will focus on Archery and Wilderness Awareness. These hands-on skills need to be taught in the field. Please dress accordingly. You will be outdoors most of the day

What we will provide:

- All equipment you'll need to participate
- Expert Archery and Survival instruction by certified instructors
- Plenty of hot beverages, water, snacks and desserts

What you need to bring:

- Your own lunch - this is a Brown Bag event
- Warm clothing suitable for field activities, sturdy shoes or boots
- Rain gear, just in case!
- In the interest of conservation, please bring your own water bottle

When WOW receives your completed registration with payment, a confirmation will be sent to you. It will include an agenda and logistics information. A signed waiver (available at check-in) is required to participate. Adults must co-sign for the girls. We ask that each adult and girl fill out a separate registration. On June 3<sup>rd</sup> look for a WOW banner at Beau's entrance. The workshop sign-in will be held in the Lodge. Parking is available close by
