

Shellfish Harvest Workshop 2019

Date: Sunday, May 19, 2019

Time: 10 am – 1:30 pm

Location: Quilcene Bay WDFW Tidelands

Welcome to Shellfishing! This introductory course does not require previous harvest experience. You will need to purchase a WDFW Fishing/Shellfishing License to participate in the workshop.

WHAT TO EXPECT

Participants will learn about bivalves (mollusks with hinged shells), where they live, why they are important for maintaining healthy coastal ecosystems, how to harvest them responsibly, and how to shuck those oysters correctly! WOW thanks WDFW Puget Sound Intertidal Bivalve Manager Camille Speck and her team for their expert instruction and support.
